

DOVASE

20x20cm / 7.8x7.8 in

INSTRUCTIONS

1. Print this sheet of paper in A4 size or draw a square of 20x20cm/7.8x7.8in with a central axis.
2. Trace a profile in one of its sides. Go over the drawing with a marker when you get the final line.
3. Fold the paper by the central axis.
4. Cut out the shape.
5. Select a photo with the measures and load it to our server www.dovase.com
6. You'll have your handcraft vase in a few months.
